Date: 19th July 2020

TO WHOMSOEVER IT MAY CONERN

This is to certify that Mr. Rohit Pratap Singh, has completed his internship as **Frontend Software Developer** in Harbacore from **3rd June 2020** to **19th July 2020**.

During his internship Rohit was responsible for designing wireframes and then implementing the same to develop responsive UI of various web-pages using Twitter Bootstrap and JS. His work includes developing **Blog Listing Page, Harbacore Header, Sale Banners and EV specific Page**. Rohit brought a lot to table as he always figured out smart ways to deal with challenging problems and implement them in his solutions.

During the internship he demonstrated good design skills with a self-motivated attitude to learn new things. He worked on various areas of Software Product Development and successfully met the objectives that were set at the beginning of the project. Rohit has a knack for creativity and showed a lot of promise in his work and was able to deliver the projects successfully on time.

We wish him all the best for his future endeavors.
